

6 - 8 December, 2018 HONG KONG

GLOBAL CHALLENGES IN FOOD, NUTRITION & ENVIRONMENT SYMPOSIUM

23 October 2018

Dr. Shen Xue
Department of Food Quality and Safety,
College of Food Science and Engineering,
Jilin University

Invitation Letter

Dear Dr. Shen,

The School of Biological Sciences of the University of Hong Kong will host the Global Challenges in Food, Nutrition & Environment Symposium, from December 6th to 9th 2018 (<https://www.biosch.hku.hk/gcfne/index.html>).

The conference theme, "Integration of food, nutrition and environment", reflects the interplay between the current state of knowledge and ideas and innovations that are important to assure food security and enhance population health. Over the three-day Conference span, a panel of distinguished guest speakers from across the world will update the attendees on recent developments and up-to date information on related issues ranging from public health matters, new technologies to regulations, harmonization and law.

I would like to invite you to attend the Global Challenges in Food, Nutrition & Environment Symposium. You may visit the symposium website to complete abstract submission and hotel reservations.

This letter does not convey any obligation by us towards Dr. Shen hotel, transportation or any additional expenses associated with her attendance at the Symposium. While in Hong Kong, Dr. Shen will not receive any financial remuneration from any local institutions.

We are looking forward to meeting you in Hong Kong!

Yours sincerely,

Dr Stefano Cannicci
Vice-Chairperson of the Global Challenges in Food, Nutrition & Environment Symposium
Associate Director, The Swire Institute of Marine Science
Associate Professor, the School of Biological Sciences
The University of Hong Kong
Hong Kong
